Jack Reilly Professor of Child and Family Studies

Director, Jack Reilly Institute of Early Childhood and Provider Education

Join us for the *Promoting Healthy Weight* colloquium, which is **FREE** for both online and onsite participants! This is the third of a series of biannual colloquia, which will be offered on the 4th Friday in March and September through 2013. This colloquium will highlight infancy and how parenting, nutrition, and physical activity relate to healthy weight gain during this first developmental stage of *Bright Futures*. Colloquium presentations are intended for researchers, practitioners, and family members. Registered Dietitians and Certified Health Education Specialists can receive continuing education credits. **Registration will open on February 19, 2010.** For more information go to: <http://nutrition.utk.edu/seminars/HealthyWeightColloquium.html>.
