**Position Title**

District Manager - Adult Nutrition

**Organization**

WorldBridge Partners

**Location**

Knoxville

**Brief Job Description**

Our client, a world leading nutritional company seeks an RD with sales experience to sell its complete line of adult nutritional products into hospitals and nursing homes in the Knoxville market. The District Manager is responsible for understanding the nutritional features and benefits of the product line and to effectively communicate them to healthcare professionals in the key institutions throughout the territory. Candidates with experience selling nutritional products into these channels of distribution are most desired. This opportunity offers high income potential with excellent benefits.
